

## Sound System

The organizer agrees to provide a professional sound system in good to excellent working condition appropriately sized to cover the entire room. The system shall minimally consist of the following:

Stage Dimensions : Approximately - 12ft by 12ft

The floor of the stage should be hard and not hollow - preferably. Since the artists perform in a sitting posture, one could use a thin carpet to spread on the hard stage floor or a thick carpet if it is a hollow stage floor. Too soft and spongy materials should be avoided. The carpet should be covered preferably by a pure white sheet neatly tucked in the ends. Raisers might be needed for the stage to be above the eye level of the audience, making it possible for the entire audience to see the artists and instruments clearly, as it is a visual art form.

### Sound requirement

- Sound Reinforcement System
- House Console
- \_\_Min. 10\_\_ input channels
- 4-Band EQ on each channel
- House Rack (Outboard Gear)
- \_\_\_X\_\_\_ Digital Reverb
- \_\_\_X\_\_\_ Digital Delay

### House Speakers

- Stereo 3- or 4-Way System (preferred) or Mono System that provides adequate coverage for venue
- Speakers should be angled for adequate balcony coverage when not flown.

### House Mix Position

- Stage Right Center or Stage Left Center
- Not more than \_\_100\_\_ feet from the stage.

### Unacceptable mix positions

- Behind walls, under balconies, in balcony.

- Stage Monitor System (depending on size of venue, this might not be required)
- \_\_min. 12\_\_ Channel Console
- 4-Band Sweepable EQ on each input
- \_\_\_X\_\_\_ 1/3 Octave EQxs
- \_\_\_X\_\_\_ Reverb Unit
- \_\_\_X\_\_\_ Identical Monitor Wedges

- 1 Monitor Mix Engineer

#### Monitor Mix State Position

- On Stage \_\_\_right\_\_\_ (preferred): Engineer must have full view of stage with no obstructions.

#### On-stage Equipment

- 2 condenser microphones for the violin (preferably with air bar noise filters)
- 4 SM 57/58 or similar microphones .
- 4 Desktop / low profile boom stand (13\_18 inches) & Kick - Bass Boom Stand
- 2 Desk Stands (6x-8x from floor) or Low Stands 2/Boom

#### Green Room Requirements:

Bottled drinking water, tea/coffee and snacks
